## Livestock Zimbabwe Update: 16<sup>th</sup> April 2021

### OVERVIEW

Statutory Instrument 97 of 2021, Grain Marketing (Control of Sale of Soya Beans) Regulations, 2021 was gazetted on 9<sup>th</sup> April 2021 and are additional to any contractual obligations agreed to by a contracted farmer.

In terms of the Regulations, soya beans have been declared as a controlled product under section 29 of the Grain Marketing Act.

No person or statutory body or company or entity under a contractual obligation to sell to a contractor or to the Grain Marketing Board shall sell or otherwise dispose of any soya beans except to such contractor or to the Grain Marketing Board (GMB).

Any soya beans which are required to be sold to the GMB in terms of this section shall be delivered to the GMB at such time, place, and quantities as the Board may direct and under such terms and conditions as the GMB may provide.

It has also been gazetted that with effect from the date of commencement of these Regulations, no person other than the GMB shall export soya beans from Zimbabwe of any quantity or any description until such a date that shall be specified by the Minister by way of notice in the Gazette.

### Zimbabwe Commercial Rabbit Breeders Association

ZiCORBA has entered into a deal to supply rabbit meat to leading local supermarket chains. In March, nearly 2 tonnes of rabbit meat was sold in Harare, Marondera and Mutare. Work is in progress on the first rabbit abattoir which will be opened in May.
